The ground for Remission is that the Contractor in question has sustained heavy loss and deserves Relief.

When the accounts of the Contractor were checked by the Prdt of the Municipality it was found that during the year the Contractor derived an income of Rs 20 066/- by way of Shandy Farsh and incurred an expenditure of Rs 3643 14-0 daily, resulting in an income of Rs 16,422 2-0 as against the Contract amount of Rs 34,005/- Thus the transaction is seen to have landed the Contractor in a loss of Rs 17583/- It is however stated that the accounts are not furnished monthwise and details of the number of carts arrived etc, are not available made available as required by the terms of the contract

In the absence of proper accounts I do not think it is possible for any one to assess the correct position. The accounts were not maintained properly and the total number of cases not worked out. No counterfoils of receipt books were also maintained. It is therefore difficult to verify to ascertain what exactly was the net result of the contract. However, in view of the conditions that prevailed during the period, a remission of Rs 4000/ Four thousand only may be sanctioned, as a special concession, though such relief is not strictly admissible under the terms of the contract.

To

J. B Mallaradhya, Esquire, M A,
Secretary to Government of Mysore,
Revenue Department, Bangalore.

Sir,

Subject - Sanction to the remission of Rs 8,000/- in favour of Mr C K Siddappa, toll - contractor for the year 1945-46 in Davangere Municipality.

In forwarding herewith the entire file of records received with letter No H C 105/45-46 dated 12-9-1946 from the President of Davangere Municipality on the above subject, I have the honour to state as - follows -

Mr C K Siddappa, toll contractor presented an application to the Municipality on 4-1-1946 stating that he had sustained heavy loss on account of the scanty rainfall and failure of crops and made a - request to the Council to grant him remission A notice was issued to the contractor on 7-1-1946 by the Municipality to produce his - accounts together with the counterfoil receipt books. The contractor produced only the account books As per the statement furnished by the President, it is seen that the contractor has realised a sum of -- Rs 11,870-2-6 and incurred an expenditure of Rs 1,669-10-0 from July 1945 to December 1945. The Municipal Council at its meeting held on 16-4-1946 has resolved that a remission of Rs 8,000/- may be sanctioned in view of the heavy loss sustained by the contractor

The President reports that the accounts maintained by the contractor have been checked and he has furnished a statement showing an income of Rs 20,066/- and an expenditure of Rs 3,643-14-0 resulting in a net income of Rs 16,422-9-6 for the full year as against the - contract amount of Rs 34,005/- and has thus sustained a loss of - Rs 17,583/- The President is of opinion that this is a fit case for sympathetic consideration.

In regard to the allegations in the anonymous petition received with your Memo No L 3070 dated 2-8-1946, I have to say that they are all frivolous. In view of the distress conditions which prevailed all over the District in the year 1945-46 ~~had~~ I recommend that remission n

may be sanctioned as per resolution of the Municipal Council.

I have the honour to be,
Sir,
Your most obedient servant,
N. Ritchie
Deputy Commissioner,
